Dear Business Owner/Manager,

Please allow me to take a moment and introduce you to the PLAYERS CLUB OF TAMPA BAY, INC., a not-for profit organization, 501 (c) (4) totally dedicated to youth development.

This soccer club, founded in June of 1999, has already developed a reputation as an excellent competitor with an appreciation for fair play and sportsmanlike conduct. Our members are residents of Hillsborough and surround counties. Our teams competes nationwide against other organized soccer clubs.

Our home games are played at **Heather Lake's soccer complex**, corner of Lumsden and Providence in Brandon, Fl. Our competitive teams range from ages 8 to 18 and our development league from ages 4 to 14 years old, both boys and girls.

Our club has worked closely with local officials and business owners to develop Heather Lakes Park into a soccer complex. Today, our facility is equipped with 3 soccer fields with 96 lights, which make it the best lighted soccer facility in Hillsborough County. We currently have over 800 members, with loyal families and friends.

Sponsorship funds and the community's support is the key to the growth and success of this program.

All funds are donated through the Players Club of Tampa Bay, Inc. Every dollar contributed will go directly benefit the players.

The team members of the PLAYERS CLUB OF TAMPA BAY appreciate your consideration in making a contribution to their team. The teams advance each year to the next age group and will continue to represent Florida and your business for years to come.

We encourage our members and their families to support those who support us.
